7. APPLICATIONS IN THE RAILWAY INDUSTRY:

1. Infrastructures

1.1. Railway exploitation

- Catenaries
- Tracks security equipments
- Electrified lines, traction power supply systems installations
- Access equipment
- Traffic management and regulation
- Communication systems for the railway operation
- Measurement, monitoring, and registration systems
- Railway civil engineering
- Railway tracks
- Other (Precise):

1.2. Signalling

- Cable ducts
- Remote control equipments
- Operating control engineering
- Acoustics protection
- Communication technology
- Railway Control systems
- Speed control systems
- Level crossing systems
- Signalling systems
- Space train control systems
- Referral systems
- Other (Precise):

1.3. Maintenance

- Track maintenance
- Maintenance of railway traction sub-stations
- Power-supply system maintenance
- Catenaries maintenance
- Telecommunications maintenance
- Signalling systems maintenance
- Other (Precise):

2. Rolling stock

2.1. Vehicles

- High-speed train
- Regional Train
- Underground
- Tramways
- Freight train
- Freight traction units
- Tracks maintenance equipment
- Special vehicles
- Other (Precise):

2.2. Tractive stock

- Auxiliaries (chilling, ventilation,...)
- Electrical and electronic components
- Current-collection installations
- Propulsion systems
- Vehicle control systems
- Autonomous drive train (diesel engine)
- Electrical drive train (synchronous and asynchronous motors)
- Hydrail
- Auxiliary power supply units
- Other (Precise):

2.3. Vehicle structure

- Bumpers
- Bogies
- Cables and accessories for the rolling stock
- Body
- Axels
- Walls
- Acoustics protection
- Wheels

- Couplings systems
- Door systems
- Suspension systems
- Braking systems and equipments
- Shock absorbers
- Roofing
- Other (Precise):

2.4. Vehicle maintenance & renovation

- Maintenance workshop
- Inspection devices and systems
- Lifting devices for tracked vehicles
- Testing devices and systems
- Measuring equipment and systems
- Axels maintenance
- Predictive maintenance
- Wheel force measurement systems

- Corner force measuring equipment
- Replacement tasks
- Disposal systems
- Exhaust systems
- Bogie testing plants
- Varnishing devices
- Other (Precise):

3. Embedded equipment

- Sensors and instrumentation
- Energy conversion
- Cyber security
- Automation equipment
- Vehicle tracking and localization systems
- Driver's control / command and control systems
- Connected systems
- Embedded systems

- Electrical and intermediary interlocking systems
- Security and safety systems
- Automatic stop and operating systems for trains
- Integrated operations control systems
- Telecommunications
- Data transmission
- Other (Precise):

4. Railway vehicle interior

- Picture window and glazing
- Corridors
- Air-conditioning, air ventilation, air climatisation systems
- Lights
- Travel catering
- Insulation and fire protection
- Carpet and flooring
- Floor
- Switch-boarding area
- Luggage rack

- Interior and exterior doors
- Platforms
- Ceiling
- Interior design
- Seat materials and systems

2/ PURPOSE

This agreement stipulates the terms and conditions, under which the Organizer sets up and runs the Event. This agreement highlights the rights and obligations of both the Organizer and the signing company, hereafter referred to as the Participant. By signing this agreement, the Participant formally agrees to abide by these terms and conditions.

3/ PLACE AND DATE The Event will be held at the Place and Date indicated here above. The Organizer may cancel the Event or change the Place and Date, should the Place be rendered unavailable, in case of force majeure or act of God. In such an event, no compensation or refund shall be due to the Participant. However, the Organizer shall inform the Participant about the new Date and Place in writing and guarantee the Participant's participation in the rescheduled Event at no additional cost.

4/ REGISTRATION, CANCELLATION, PAYMENT

- Any company or organization is allowed to attend the Event provided its delegates have relevant knowledge to enter business discussions with other attendees. The Organizer, nonetheless, reserves the right to approve or reject any registrations at its sole discretion.
- The participant may cancel their registration sixty days (60) or more prior to the Event and be eligible for a full refund. The Organizer shall, however, retain a 7.5% administrative fee when processing the refund.
- Should cancellation be submitted forty-one (41) to fifty-nine days (59) prior to the Event, the Participant shall be liable for a penalty amounting thirty percent (30%) of the amount due or paid.
- Should cancellation be submitted forty days (40) or less prior to the Event, the Participant shall be liable for the payment of the full amount due, and not be eligible for any refund.
- All invoices issued and sent to the Participant, must be remitted five days (5) prior to the Event at the latest. The Organizer reserves the right to deny the Participant access to the Event, shouldn't their accounts be settled.

5/ INCLUDED SERVICES AND OBLIGATION TO PRODUCE RESULTS The Organizer firmly commits to diligently use their expertise, knowledge, contacts network and all available resources to deliver all the services described in the booking form attached to this agreement. The Participant understands the Organizer's work shall not necessarily produce direct and immediate business results.

6/ PREVENTIVE MEASURES The Organizer commits to implementing preventive measures and supplying equipment, aimed at hampering the spread of some transmissible diseases. The Participant understands, that preventive measures and protective equipment do not offer a risk-free event, and that the Organizer cannot be held liable for any contamination occurring during the preparation and running of the Event.

7/ INSURANCE The Organizer is solely responsible for setting up and running the Event. However the Organizer's shall not be legally liable for any harm caused to the Participant by a third party.

The Participant must hold an insurance policy that covers all damages caused by them, their staff or their belongings to a third party or a third party's equipment and installations during the preparation and running of the Event.

The Participant must hold an insurance policy that covers all damages caused by a third party to them, their staff and belongings during the preparation and running of the Event.

8/ APPLICABLE AMENDMENTS The Organizer reserves the right to introduce addendums to this agreement in order to handle any matters not initially mentioned in this agreement. Such amendments shall be notified and diligently sent to the Participant and immediately come into force.

The Organizer reserves the right to terminate this agreement and therefore cancel the Participant's registration, should the latter not comply with the terms and conditions of this agreement. In such an event, the Organizer shall notify the Participant in writing, and no compensation or refund shall be due to the Participant.

9/ USE OF PARTICIPANT LOGO The Organizer reserves the right to retrieve and use the Participant's company logo on marketing materials designed to promote the event by showing a list of registered companies, called participants. If the Participant disagrees and wishes their logo to be removed from such marketing materials, they must explicitly address their request in a written form.

10/ SETTLEMENT In the event of disagreement, the Participant shall submit a written request to the Organizer and seek an amicable settlement. If no amicable settlement is reached, the tribunal of Nanterre, France, shall be the sole competent tribunal to handle the case.

11/ PRIVACY AND SECURITY POLICY The Participant understands that the Organizer will collect detailed information about their business for the sole purpose of conducting the Event and delivering the services described in the attached booking form. More information is available on the Organizer's website: [privacy, confidentiality and management of personal information](#)
